

*Lanier Education Foundation*  
2015-16 Board of Trustees Application

The Lanier Education Foundation is accepting applications for available seats on 2015-16 Board of Trustees. The Foundation is a non-profit organization dedicated to supporting the six schools in the Lanier cluster. Our goal is to enhance the education of every child in our schools by funding grants written by our teachers. The Board of Trustees meets approximately six to eight times per year, and active participation in the Blue Jean Ball, our primary fundraiser, is required. If you are interested in becoming part of our team, we encourage you complete this application and submit it to the front office of your child's school by Thursday, April 30. Our nominating committee will review all applications and present a final list of candidates to our current Board during the May Foundation meeting.
